The Price: R3 499.00 (router: R2 999.00 and training session: R500.00)

Optional:

- **Personalized wall garden – (R300.00 per page)**
 - You can have your events, special offers & menus loaded on your router and displayed to our customers without them connecting to the internet – a wonderful sales mechanism for Wi-Fi users
- **Wi-Fi expansion – (R2 500.00 per sector)**
 - If you need to cover bigger areas we can expand your system for you as well.
 - One sector covers up to 300m at 75° radius.
- Ceiling mount antenna – (R740.00)
- WCDMA (3G) solution Local – (R2 000.00 without Yagi)
- WCDMA (3G) solution remote – (R3 200.00 with Yagi)
- LAN gaming venue management (R1 700.00 per event)
 - Training will be provided

Payment terms:

- COD – 14% discount (payment must be done on same day of installation)
- All prices excludes VAT
